

SHUMPEI FUJIO

Osaka University (Japan)

For an outstanding paper on:

Effect of preheating on pure copper welding by hybrid laser system with blue laser and IR laser [11673-47]

Presented at:

SPIE Photonics West 2021
Laser Applications in Microelectronic and Optoelectronic Manufacturing (LAMOM) XXVI

Presented by:

Carlos Molpeceres, Univ. Politécnica de Madrid
Jie Qiao, Rochester Institute of Technology
Aiko Narazaki, National Institute of Advanced Industrial Science and Technology
Conference Chairs
